

KRFP Application Summer 2008

Summer schedule begins Mon., May 26th, 2008

For best results, apply before Sat., May 24th at 1 pm

You are applying for a time slot (not necessarily weekly) on Community Radio KRFP, 92.5, Moscow. If granted, you'll be responsible for being at the station from 15 minutes before your show until its completion, unless other arrangements are made with the station.

There will be an e-mail list and phone list with trained deejay substitutes, in case you can't make your time slot. 5 Days notice required for non-emergency cancellations without finding a substitute.

You may be offered a time slot of a different length than your stated ideal. All program hosts will go through training. Co-hosts must also be trained before operating equipment.

If you have more than one distinct program idea involving a separate timeslot, please feel free to submit a separate application for each show idea.

Some slots may occasionally be pre-empted for live coverage of groundbreaking events.

x = deejays who have been with us since Jan. 2008: only answer these items if your answer has changed.
